

Authorized Biography: Dianna Love

New York Times bestseller Dianna Love spent her early years dangling over a hundred feet in the air to create unusual marketing projects for Fortune 500 companies. Now she's released her energetic muse on writing high-octane thrillers and urban fantasy. Her first book won the prestigious RITA® Award (as Dianna Love Snell) and she now co-writes with #1 NYT best seller Sherrilyn Kenyon. The latest Kenyon-Love collaboration has resulted in BLOOD TRINITY, the first novel in the Belador urban fantasy series that debuted on the New York Times, USA Today, Publisher's Weekly and Walmart best seller lists in 2010. The next Belador book – ATLERANT – will be released September 27, 2011.

When not speaking at national and international events throughout the year, Dianna lives in the metro Atlanta area with her motorcycle-instructor husband. For more on Dianna visit <http://www.AuthorDiannaLove.com>.
